

Welch Allyn  
Scale-Tronix® Stow-A-Weigh® Scales

Scale-Tronix Stow-A-Weigh scales deliver a big impact with a small footprint. These compact scales provide the fast, dependable weight measurements you need to help improve patient care and outcomes while saving on floor space.

These innovative fold-up scales are ideal for clinics, triage areas, exam rooms or anywhere space is limited. With stand-on, wheelchair and stretcher models available, it's easy to find the right low-profile weighing solution for your environment.

Scales that are big on performance and small on space—it's easy to see why Scale-Tronix is a trusted brand for healthcare environments.

## Durable. Long Lasting. Designed for Demanding Healthcare Environments.

### 5202 Stow-A-Weigh Stand-On Scale

- Mounts snug to wall with slender 4" profile when not in use
- Weighing platform is counter-balanced to fold down easily—no bending or lifting required
- Low-profile platform helps reduce patient fall risk

### 6202 Stow-A-Weigh Wheelchair Scale

- Easily accommodates most wheelchairs
- Three scales in one: wheelchair, chair and stand-on

### 6202D Dual Platform Stow-A-Weigh Wheelchair Scale

- Easily accommodates most stretchers
- Four scales in one: stretcher, wheelchair, chair and stand-on
