

A new era of ring removal.

Ring Rescue sets a higher standard of care for the removal of stuck rings.

Ring Rescue's compression device (CD) shrinks finger size to aid in non-destructive ring removal

Why Ring Rescue CD?

- ✓ Decreases the need for ring cutting
- ✓ Reduces risk of injury
- ✓ Helps to avoid emotional trauma from destroying valuable rings
- ✓ Improves patient care

Why professionals love Ring Rescue CD

- ✓ Extremely durable and user-friendly
- ✓ All-inclusive 2-year warranty
- ✓ No batteries or charging necessary
- ✓ Includes special non-hydrating lubricant

**Reduce the swelling,
remove the ring,
*be the hero.***
